

## Local Land Services

# Pastures and Grazing autumn pasture update

Join fellow red meat producers for a day of locally relevant insights to improve pasture productivity, livestock health, and weed management.

Hear from local experts on pastures, weeds, livestock health and perennial legumes.

Gain insights from:

- Latest perennial legume research – Richard Hayes (NSW DPIRD)
- Sticky nightshade control – John Monk (PY Agronomy)
- Practical livestock health and prevention to lift performance – Mackenzie Anderson (Blayney Vet Hospital) and Em Johnstone (CT LLS)
- Livestock panel discussion – facilitated by David Harbison

Optional tours of:

- Blayney Purina Factory
- Suzuki Wagyu Feedlot

*This event is supported by the Australian Government through funding from the Natural Heritage Trust under the Climate-Smart Agriculture Program and delivered by Central Tablelands Local Land Services, a member of the Commonwealth Regional Delivery Partners panel.*
